SERVICE

Our Chef interprets the vision of Alain Ducasse in contemporary fashion, and focuses on highlighting the best seasonal produce, while our restaurant team cater for your every need.

This collaborative team work is duly represented in our wine service. Our Head Sommelier and Chef ensure an unforgettable experience by crafting unique pairings, happily encouraging you to take part in the process.

From the Champagne & Canapé reception to the unique Menus and Wine Collections, your guests are able to enjoy a truly tailored experience.

WINE

With particular emphasis on noble French regions, Head Sommelier sources wines from around the world.

The Wine List contains an eclectic mix of niche producers and grand estates, with an emphasis on quality and provenance.

The extraordinary wine cellar of Alain Ducasse at Morpheus is as well an ideal space to host tastings, and interactive guest experiences.
